Background:

This service accountability agreement is entered into pursuant to the *Connecting Care Act, 2019* (the “CCA”).

The HSP and the Funder are committed to working together, and with others, to achieve evolving provincial priorities including building a connected and sustainable health care system centred around the needs of patients, their families and their caregivers.

The Funder recognizes municipalities as responsible and accountable governments with respect to matters within their jurisdiction. The Funder acknowledges the unique character of municipal governments that are funded health service providers (each a “Municipal HSP”) under the Provincial Long-Term Care Home Service Accountability Agreement – Multi-Homes template (the “LSAA-MH”), and the challenges faced by Municipal HSPs in complying with the terms of the LSAA-MH, given the legal framework under which they operate. The Funder further recognizes and acknowledges that where a Municipal HSP faces a particular challenge in meeting its obligations under the LSAA-MH due to its responsibilities as a municipal government or the legal framework under which it operates, it may be appropriate for the Funder to consult with the Municipal HSP and to use reasonable efforts to resolve the issue in a collaborative way that respects the municipal government while operating under the LSAA-MH as a Municipal HSP.

In this context, the HSP and the Funder agree that the Funder will provide funding to the HSP on the terms and conditions set out in this Agreement to enable the provision of services to the health system by the HSP.

In consideration of their respective agreements set out below, the Funder and the HSP covenant and agree as follows:

 - (2) are provided solely for the purposes of planning;
 - (3) are subject to confirmation; and
 - (4) may be changed at the discretion of the Funder.

The HSP will proactively manage the risks associated with multi-year planning and the potential changes to the planning targets.

The Funder agrees that it will communicate any material changes to the planning targets as soon as reasonably possible.

- (d) **Service Accountability Agreements.** Subject to advice from the Director about the HSP's history of compliance under the Act and provided that the HSP has fulfilled its obligations under this Agreement, the parties expect that they will enter into a new service accountability agreement at the end of the Term. The Funder will give the HSP at least 6 months' Notice if the Funder does not intend to enter into negotiations for a subsequent service

accountability agreement because the HSP has not fulfilled its obligations under this Agreement. The HSP acknowledges that if the Funder and the HSP enter into negotiations for a subsequent service accountability agreement, subsequent funding may be interrupted if the next service accountability agreement is not executed on or before the expiration date of this Agreement.

6.2 Community Engagement & Integration Activities.

- (a) **Community Engagement.** The HSP will engage the community of diverse persons and entities in each area where it provides health services when setting priorities for the delivery of health services in that area and when developing plans for submission to the Funder including but not limited to the HSP's Planning Submissions and integration proposals. As part of its community engagement activities, the HSPs will have in place, and utilize, effective mechanisms for engaging families and patients to help inform the HSP plans.
- (b) **Integration.** The HSP will, separately and in conjunction with the Funder, other health service providers, if applicable, and integrated care delivery systems, if applicable, identify opportunities to integrate the services of the health system to provide appropriate, coordinated, effective and efficient services.
- (c) **Reporting.** The HSP will report on its community engagement and integration activities, using any templates provided by the Funder, as requested by the Funder.

6.3 Planning and Integration Activity Pre-proposals.

- (a) **General.** A pre-proposal process has been developed to (A) reduce the costs incurred by an HSP when proposing operational or service changes at a Home; (B) assist the HSP to carry out its statutory obligations; and (C) enable an effective and efficient response by the Funder. Subject to specific direction from the Funder, this pre-proposal process will be used in the following instances:
 - (1) the HSP is considering an integration, or an integration of services, as defined in the Enabling Legislation between the HSP and another person or entity;
 - (2) the HSP is proposing to reduce, stop, start, expand or transfer the location of services, which for certainty includes: the transfer of Services from the HSP to another person or entity anywhere; and the relocation or transfer of services from one of the HSP's sites to another of the HSP's sites anywhere;
 - (3) to identify opportunities to integrate the services of the health system, other than those identified in (A) or (B) above; or
 - (4) if requested by the Funder.

- (b) **Funder Evaluation of the Pre-proposal.** Use of the pre-proposal process is not formal Notice of a proposed integration under the Enabling Legislation. Funder consent to develop the project concept outlined in a pre-proposal does not constitute approval to proceed with the project. Nor does the Funder consent to develop a project concept presume the issuance of a favourable decision, should such a decision be required by the Enabling Legislation. Following the Funder's review and evaluation, the HSP may be invited to submit a detailed proposal and a business plan for further analysis. Guidelines for the development of a detailed proposal and business case will be provided by the Funder.
- (c) Where an HSP integrates its services with those of another person and the integration relates to services funded in whole or in part by the Funder, the HSP will follow the provisions of the Enabling Legislation. Without limiting the foregoing, a transfer of services from the HSP to another person or entity is an example of an integration to which the Enabling Legislation may apply.

6.4 Proposing Integration Activities in the Planning Submission. No integration activity described in section 6.3 may be proposed in a Planning Submission unless the Funder has consented, in writing, to its inclusion pursuant to the process set out in section 6.3.

6.5 Termination of Designation of Convalescent Care Beds.

- (a) Notwithstanding section 6.3, the provisions in this section 6.5 apply to the termination of a designation of convalescent care Beds.
- (b) The HSP may terminate the designation of one or more convalescent care Beds at a Home and revert them back to long-stay Beds at any time provided the HSP gives the Ministry and the Funder at least 6 months' prior Notice. Such Notice shall include:
 - (1) a detailed transition plan, satisfactory to the Funder acting reasonably, setting out the dates, after the end of the 6-month Notice period, on which the HSP plans to terminate the designation of each convalescent care Bed and to revert same to a long-stay Bed; and,
 - (2) a detailed explanation of the factors considered in the selection of those dates.

The designation of a convalescent care Bed will terminate and the Bed will revert to a long-stay Bed on the date, after the 6-month Notice period, on which the Resident who is occupying that convalescent care Bed at the end of the 6-month Notice period has been discharged from that Bed, unless otherwise agreed by the Funder and the HSP.

- (c) The Funder may terminate the designation of the convalescent care Beds at a Home at any time by giving at least 6 months' prior Notice to the HSP. Upon receipt of any such Notice, the HSP shall, within the timeframe set out in the Notice, provide the Funder with:
 - (1) a detailed transition plan, satisfactory to the Funder acting reasonably, setting out the dates, after the end of the 6-month Notice period, on which the HSP plans to terminate the designation of each convalescent care Bed and, if required by the Notice, to revert same to a long-stay Bed; and,
 - (2) a detailed explanation of the factors considered in the selection of those dates.

The designation of a convalescent care Bed will terminate, and if applicable revert to a long-stay Bed on the date, after the 6-month Notice period, on which the Resident who is occupying that convalescent care Bed at the end of the Notice period has been discharged from that Bed, unless otherwise agreed by the Funder and the HSP.

ARTICLE 7.0 - PERFORMANCE

7.1 Performance. The parties will strive to achieve on-going performance improvement. They will address performance improvement in a proactive, collaborative and responsive manner.

7.2 Performance Factors.

- (a) Each party will notify the other party of the existence of a Performance Factor, as soon as reasonably possible after the party becomes aware of the Performance Factor. The Notice will:
 - (1) describe the Performance Factor and its actual or anticipated impact;
 - (2) include a description of any action the party is undertaking, or plans to undertake, to remedy or mitigate the Performance Factor;
 - (3) indicate whether the party is requesting a meeting to discuss the Performance Factor; and
 - (4) address any other issue or matter the party wishes to raise with the other party.
- (b) The recipient party will provide a written acknowledgment of receipt of the Notice within 7 Days of the date on which the Notice was received ("Date of the Notice").
- (c) Where a meeting has been requested under section 7.2(a), the parties agree to meet and discuss the Performance Factors within 14 Days of the Date of the Notice, in accordance with the provisions of section 7.3. PICB

may be included in any such meeting at the request of either party.

7.3 Performance Meetings. During a meeting on performance, the parties will:

- (a) discuss the causes of a Performance Factor;
- (b) discuss the impact of a Performance Factor on the health system and the risk resulting from non-performance; and
- (c) determine the steps to be taken to remedy or mitigate the impact of the Performance Factor (the “Performance Improvement Process”).

7.4 The Performance Improvement Process.

- (a) The Performance Improvement Process will focus on the risks of non-performance and problem-solving. It may include one or more of the following actions:
 - (1) a requirement that the HSP develop and implement an improvement plan that is acceptable to the Funder;
 - (2) the conduct of a Review;
 - (3) an amendment of the HSP’s obligations; and
 - (4) an in-year, or year end, adjustment to the Funding,

among other possible means of responding to the Performance Factor or improving performance.

- (b) Any performance improvement process begun under a prior service accountability agreement that was not completed under the prior agreement will continue under this Agreement. Any performance improvement required by a Funder under a prior service accountability agreement will be deemed to be a requirement of this Agreement until fulfilled or waived by the Funder.

7.5 Factors Beyond the HSP’s Control. Despite the foregoing, if the Funder, acting reasonably, determines that the Performance Factor is, in whole or in part, a Factor Beyond the HSP’s Control:

- (a) the Funder will collaborate with the HSP to develop and implement a mutually agreed upon joint response plan which may include an amendment of the HSP’s obligations under this Agreement;
- (b) the Funder will not require the HSP to prepare an Improvement Plan; and
- (c) the failure to meet an obligation under this Agreement will not be considered a breach of this Agreement to the extent that failure is caused by a Factor Beyond the HSP’s Control.

ARTICLE 8.0 - REPORTING, ACCOUNTING AND REVIEW

8.1 Reporting.

- (a) **Generally.** The Funder's ability to enable the health system to provide appropriate, co-ordinated, effective and efficient health services is heavily dependent on the timely collection and analysis of accurate information. The HSP acknowledges that the timely provision of accurate information related to the HSP, the Homes, their Residents and the HSP's performance of its obligations under this Agreement, is under the HSP's control.
- (b) **Reporting by Home.** For certainty, notwithstanding anything else in this Agreement and consistent with the requirements under the Act, the HSP's reporting obligations under this Agreement apply with respect to each Home individually.
- (c) **Specific Obligations.** The HSP:
 - (1) will provide to the Funder, or to such other entity as the Funder may direct, in the form and within the time specified by the Funder, the Reports other than personal health information as defined in the Enabling Legislation, that the Funder requires for the purposes of exercising its powers and duties under this Agreement or the Enabling Legislation or for the purposes that are prescribed under any Applicable Law;
 - (2) will comply with the applicable reporting standards and requirements in both Chapter 9 of the Ontario Healthcare Reporting Standards and the RAI MDS Tools;
 - (3) will fulfil the specific reporting requirements set out in Schedule C;
 - (4) will ensure that every Report is complete, accurate, signed on behalf of the HSP by an authorized signing officer where required and provided in a timely manner and in a form satisfactory to the Funder; and
 - (5) agrees that every Report submitted to the Funder by or on behalf of the HSP, will be deemed to have been authorized by the HSP for submission.

For certainty, nothing in this section 8.1 or in this Agreement restricts or otherwise limits the Funder's right to access or to require access to personal health information as defined in the Enabling Legislation, in accordance with Applicable Law for purposes of carrying out the Funder's statutory objects to achieve the purposes of the Enabling Legislation.

- (d) **RAI MDS.** Without limiting the foregoing, the HSP

- (1) will conduct quarterly assessments of Residents at each Home, and all other assessments of Residents required by the RAI MDS Tools, using the RAI MDS Tools;
 - (2) will ensure that the RAI MDS Tools are used correctly to produce an accurate assessment of the HSP's Residents at each Home ("RAI MDS Data");
 - (3) will submit the RAI MDS Data to the Canadian Institute for Health Information ("CIHI") in an electronic format at least quarterly in accordance with the submission guidelines set out by CIHI; and
 - (4) acknowledges that if used incorrectly, the RAI MDS Tools can increase Funding beyond that to which the HSP would otherwise be entitled. The HSP will therefore have systems in place to regularly monitor, evaluate and where necessary correct the quality and accuracy of the RAI MDS Data provided in respect of the Residents at each Home.
- (e) **Quality Improvement Plan.** The HSP will submit a Quality Improvement Plan to Ontario Health that is aligned with this Agreement and supports health system priorities.
- (f) **CEO Changes.** The HSP will immediately notify the Funder if it becomes aware that the HSP's CEO will depart the organization.
- (g) **French Language Services.** If the HSP is required to provide services to the public in French at a Home under the provisions of the *FLSA*, the HSP will be required to submit a French language services report to the Funder in respect of the Home. If the HSP is not required to provide services to the public in French at a Home under the provisions of the *FLSA*, it will be required to provide a report to the Funder that outlines how the HSP addresses the needs of its local Francophone community at the Home.
- (h) **Declaration of Compliance.** On or before March 1 of each Funding Year, the Board will issue a Compliance Declaration declaring that the HSP has complied with the terms of this Agreement in respect of each Home. The form of the declaration is set out in Schedule E and may be amended by the Funder from time to time through the term of this Agreement.
- (i) **Financial Reductions.** Notwithstanding any other provision of this Agreement, and at the discretion of the Funder, the HSP may be subject to a financial reduction if any of the Reports are received after the due date, are incomplete, or are inaccurate where the errors or delay were not as a result of Funder actions or inaction or the actions or inactions of persons acting on behalf of the Funder. If assessed, the financial reduction will be as follows:
- (1) if received within 7 Days after the due date, incomplete or inaccurate, the financial penalty will be the greater of (1) a

- reduction of 0.02 percent (0.02%) of the Funding; or (2) two hundred and fifty dollars (\$250.00); and
- (2) for every full or partial week of non-compliance thereafter, the rate will be one half of the initial reduction.

If assessed, financial reductions will be assessed in respect of each Home for which a Report was late, incomplete or inaccurate.

8.2 Reviews.

- (a) During the term of this Agreement and for 7 years after the term of this Agreement, the HSP agrees that the Funder or its authorized representatives may conduct a Review of the HSP and any one or more of the Homes, to confirm the HSP's fulfillment of its obligations under this Agreement. For these purposes the Funder or its authorized representatives may, upon 24 hours' Notice to the HSP and during normal business hours enter the HSP's premises including any one or more Homes, to:
- (1) inspect and copy any financial records, invoices and other finance-related documents, other than personal health information as defined in the Enabling Legislation, in the possession or under the control of the HSP which relate to the Funding or otherwise to the Services; and
- (2) inspect and copy non-financial records, other than personal health information as defined in the Enabling Legislation, in the possession or under the control of the HSP which relate to the Funding, the Services or otherwise to the performance of the HSP under this Agreement.
- (b) The cost of any Review will be borne by the HSP if the Review (1) was made necessary because the HSP did not comply with a requirement under the Act or this Agreement; or (2) indicates that the HSP has not fulfilled its obligations under this Agreement, including its obligations under Applicable Law and Applicable Policy.
- (c) To assist in respect of the rights set out in (a) above the HSP shall disclose any information requested by the Funder or its authorized representatives, and shall do so in a form requested by the Funder or its authorized representatives.
- (d) The HSP may not commence a proceeding for damages or otherwise against any person with respect to any act done or omitted to be done, any conclusion reached or report submitted that is done in good faith in respect of a Review.

8.3 Document Retention and Record Maintenance. The HSP will

- (a) retain all records (as that term is defined in FIPPA) related to the HSP's performance of its obligations under this Agreement for 7 years after the

termination or expiration of the term of this Agreement. The HSP's obligations under this section will survive any termination or expiry of this Agreement;

- (b) keep all financial records, invoices and other finance-related documents relating to the Funding or otherwise to the Services by Home and in a manner consistent with either generally accepted accounting principles or international financial reporting standards as advised by the HSP's auditor; and
- (c) keep all non-financial documents and records relating to the Funding or otherwise to the Services by Home in a manner consistent with all Applicable Law.

8.4 Disclosure of Information.

- (a) **FIPPA.** The HSP acknowledges that the Funder is bound by FIPPA and that any information provided to the Funder in connection with this Agreement may be subject to disclosure in accordance with FIPPA.
- (b) **Confidential Information.** The parties will treat Confidential Information as confidential and will not disclose Confidential Information except with the consent of the disclosing party or as permitted or required under FIPPA, the *Municipal Freedom of Information and Protection of Privacy Act*, the *Personal Health Information Protection Act, 2004*, the Act, court order, subpoena or other Applicable Law. Notwithstanding the foregoing, the Funder may disclose information that it collects under this Agreement in accordance with the Enabling Legislation.

8.5. Transparency. The HSP will post a copy of this Agreement and each Compliance Declaration submitted to the Funder during the term of this Agreement in a conspicuous and easily accessible public place at each Home. If the HSP or a Home operates a public website, this Agreement will also be posted on these websites.

8.6 Auditor General. For greater certainty the Funder's rights under this article are in addition to any rights provided to the Auditor General under the *Auditor General Act* (Ontario).

ARTICLE 9.0 - REPRESENTATIONS, WARRANTIES AND COVENANTS

9.3 Governance.

- (a) The HSP represents, warrants and covenants that it has established, and will maintain for the period during which this Agreement is in effect, policies and procedures:

9.5 Supporting Documentation. Upon request, the HSP will provide the Funder with proof of the matters referred to in this Article.

ARTICLE 10.0 - LIMITATION OF LIABILITY, INDEMNITY & INSURANCE

10.1 Limitation of Liability. The Indemnified Parties will not be liable to the HSP or any of the HSP's Personnel and Volunteers for costs, losses, claims, liabilities and damages howsoever caused arising out of or in any way related to the Services or otherwise in connection with this Agreement, unless caused by the negligence or wilful act of any of the Indemnified Parties.

10.2 Same. For greater certainty and without limiting section 10.1, the Funder is not liable for how the HSP and the HSP's Personnel and Volunteers carry out the Services and is therefore not responsible to the HSP for such Services. Moreover, the Funder is not contracting with or employing any HSP's Personnel and Volunteers to carry out the terms of this Agreement. As such, it is not liable for contracting with, employing or terminating a contract with or the employment of any HSP's Personnel and Volunteers required to carry out this Agreement, nor

for the withholding, collection or payment of any taxes, premiums, contributions or any other remittances due to government for the HSP's Personnel and Volunteers required by the HSP to carry out this Agreement.

10.3 Indemnification. The HSP hereby agrees to indemnify and hold harmless the Indemnified Parties from and against any and all liability, loss, costs, damages and expenses (including legal, expert and consultant costs), causes of action, actions, claims, demands, lawsuits or other proceedings (collectively, the "Claims"), by whomever made, sustained, brought or prosecuted, including for third party bodily injury (including death), personal injury and property damage, in any way based upon, occasioned by or attributable to anything done or omitted to be done by the HSP or the HSP's Personnel and Volunteers in the course of the performance of the HSP's obligations under, or otherwise in connection with, this Agreement, unless caused by the negligence or wilful misconduct of any Indemnified Parties.

10.4 Insurance.

(a) **Generally.** The HSP shall protect itself from and against all Claims that might arise from anything done or omitted to be done by the HSP and the HSP's Personnel and Volunteers under this Agreement and more specifically all Claims that might arise from anything done or omitted to be done under this Agreement where bodily injury (including personal injury), death or property damage, including loss of use of property is caused.

(b) **Required Insurance.** The HSP will put into effect and maintain, with insurers having a secure A.M. Best rating of B+ or greater, or the equivalent, all the necessary and appropriate insurance that a prudent person in the business of the HSP would maintain including, but not limited to, the following at its own expense.

(1) **Commercial General Liability Insurance.** Commercial General Liability Insurance, for third party bodily injury, personal injury and property damage to an inclusive limit of not less than 2 million dollars per occurrence and not less than 2 million dollars products and completed operations aggregate. Upon the request of the Funder, a copy of each insurance policy shall be made available to it. The HSP shall ensure that each of its subcontractors obtains all the necessary and appropriate insurance that a prudent person in the business of the subcontractor would maintain and that the Indemnified Parties are named as additional insureds with respect to any liability arising in the course of performance of the subcontractor's obligations under the subcontract.

ARTICLE 11.0 – TERMINATION

11.1 General Provision. This Agreement may be terminated in accordance with the provisions of this Article, with respect to one or more Homes. In the event that this Agreement is terminated in respect of a specific Home, the Agreement is only terminated with respect to those Services at that Home and the Agreement remains in full force and effect in respect of Services provided by the HSP at the remaining Homes.

11.2 Termination by the Funder.

- (a) **Immediate Termination in Respect of a Single Home.** The Funder may terminate this Agreement in respect of a Home immediately upon giving Notice to the HSP if:
- (1) the HSP is unable to provide or has discontinued the Services in whole or in part or the HSP ceases to carry on business; or
 - (2) the Home has been closed.
- (b) **Immediate Termination in Respect of Any or All Homes.** In addition to the foregoing, the Funder may terminate this Agreement in respect of any or all Homes, immediately upon giving Notice to the HSP if:
- (1) the HSP ceases to carry on business;
 - (2) the HSP makes an assignment, proposal, compromise, or arrangement for the benefit of creditors, or is petitioned into bankruptcy, or files for the appointment of a receiver;
 - (3) the Funder is directed, pursuant to the Act, to terminate this Agreement by the Minister or the Director; or
 - (4) as provided for in section 4.5, the Funder does not receive the necessary funding from the Ministry.
- (c) **Termination in the Event of Financial Difficulties.** If the HSP makes an assignment, proposal, compromise, or arrangement for the benefit of creditors, or is petitioned into bankruptcy, or files for the appointment of a receiver the Funder will consult with the Director before determining whether this Agreement will be terminated in respect of a Home. If the Funder terminates this Agreement in respect of a Home because a person has exercised a security interest as contemplated by section 107 of the Act, the Funder would expect to enter into a service accountability agreement with the person exercising the security interest or the receiver or other agent acting on behalf of that person where the person has obtained the Director's approval under section 110 of the Act and has met all other relevant requirements of Applicable Law.
- (d) **Opportunity to Remedy Material Breach.** If an HSP breaches any material provision of this Agreement, including, but not limited to, the reporting requirements in Article 8 and the representations and warranties in Article 10 and the breach has not been satisfactorily resolved under Article 7, the Funder will give the HSP Notice, which Notice shall identify the subject Home and specify the particulars of the breach and the period of time within which the HSP is required to remedy the breach. In the event that one or more Homes are to be subject to termination in accordance with this Section, each Home shall be subject of a separate Notice. The Notice will advise the HSP that the Funder may terminate this Agreement in respect of the Home:

- (1) at the end of the Notice period provided for in the Notice if the HSP fails to remedy the breach within the time specified in the Notice; or
- (2) prior to the end of the Notice period provided for in the Notice if it becomes apparent to the Funder that the HSP cannot completely remedy the breach within that time or such further period of time as the Funder considers reasonable, or the HSP is not proceeding to remedy the breach in a way that is satisfactory to the Funder; and

the Funder may then terminate this Agreement in accordance with the Notice.

11.3 Termination of Services by the HSP.

- (a) Except as provided in section 11.3(b) and (c) below, the HSP may terminate this Agreement at any time, for any reason in respect of one or more Homes, upon giving the Funder at least six months' Notice.
- (b) Where the HSP intends to cease providing the Services and close a Home, the HSP will provide Notice to the Funder at the same time the HSP is required to provide Notice to the Director under the Act. The HSP will ensure that the closure plan required by the Act is acceptable to the Funder.
- (c) Where the HSP intends to cease providing the Services as a result of an intended sale or transfer of a Licence in whole or in part, the HSP will comply with section 6.3 of this Agreement.

11.4 Consequences of Termination.

- (a) If this Agreement is terminated in respect of a Home, pursuant to this Article, the Funder may:
 - (1) cancel all further Funding instalments in respect of that Home;
 - (2) demand the repayment of any Funding for that Home remaining in the possession or under the control of the HSP;
 - (3) determine the HSP's reasonable costs to wind down the Services in respect of that Home; and
 - (4) permit the HSP to offset the costs determined pursuant to section (3), against the amount owing pursuant to section (2).
- (b) Despite (a), if the cost determined pursuant to section 11.4(a) (3) exceeds the Funding in respect of that Home remaining in the possession or under the control of the HSP the Funder will not provide additional monies to the HSP to wind down the Services in respect of that Home.

11.5 Effective Date. Termination under this Article will take effect as set out in the Notice.

11.6 Corrective Action. Despite its right to terminate this Agreement pursuant to this Article, the Funder may choose not to terminate this Agreement and may take whatever corrective action it considers necessary and appropriate, including suspending Funding for such period as the Funder determines, to ensure the successful completion of the Services in accordance with the terms of this Agreement.

ARTICLE 13.0 - INTERPRETATION

13.1 Interpretation. In the event of a conflict or inconsistency in any provision of this Agreement, the main body of this Agreement will prevail over the Schedules.

13.2 Jurisdiction. Where this Agreement requires compliance with the Act, the Director will determine compliance and advise the Funder. Where the Act

requires compliance with this Agreement, the Funder will determine compliance and advise the Director.

- 13.3 Determinations by the Director.** All determinations required by the Director under this Agreement are subject to an HSP's rights of review and appeal under the Act.
- 13.4 The Act.** For greater clarity, nothing in this Agreement supplants or otherwise excuses the HSP from the fulfillment of any requirements of the Act. The HSP's obligations in respect of the Enabling Legislation and this Agreement are separate and distinct from the HSP's obligations under the Act.

ARTICLE 14.0 - ADDITIONAL PROVISIONS

- 14.1 Currency.** All payment to be made by the Funder or the HSP under this Agreement shall be made in the lawful currency of Canada.

Schedule B

Additional Terms and Conditions Applicable to the Funding Model

1.0 Background. Ontario Health provides subsidy funding to long-term care home health service providers pursuant to a funding model set by MOH and MLTC. The current model provides estimated per diem funding that is subsequently reconciled. The current funding model is under review and may change during the Term (as defined below). As a result, and for ease of amendment during the Term, this Agreement incorporates certain terms and conditions that relate to the funding model in this Schedule B.

2.0 Additional Definitions. Any terms not otherwise defined in this Schedule have the same meaning attributed to them in the main body of this Agreement. The following terms have the following meanings:

“Allowable Subsidy” refers to Allowable Subsidy as defined in s. 1 of Reg. 200/21 under Connecting Care Act, 2019.

“Construction Funding Subsidy” or **“CFS”** means the funding that the MOH and MLTC agreed to provide, or to ensure the provision of, to the HSP, in an agreement for the construction, development, redevelopment, retrofitting or upgrading of beds (a **“Development Agreement”**).

“CFS Commitments” means

- (a) commitments of the HSP related to a Development Agreement, identified in Schedule A of the service agreement in respect of the Home in effect between the HSP and the funder and
- (b) commitments of the HSP identified in a Development Agreement in respect of beds that were developed or redeveloped and opened for occupancy (including, without limitation, any commitments set out in the HSP’s Application as defined in the Development Agreement, and any conditions agreed to in the Development Agreement in respect of any permitted variances from standard design standards.)

“Envelope” is a portion of the Estimated Provincial Subsidy that is designated for a specific use. There are four Envelopes in the Estimated Provincial Subsidy as follows:

- (a) the “Nursing and Personal Care” Envelope;
- (b) the “Program and Support Services” Envelope;
- (c) the “Raw Food” Envelope; and
- (d) the “Other Accommodation” Envelope.

“Estimated Provincial Subsidy” means the estimated provincial subsidy to be provided by Ontario Health to an HSP calculated in accordance with Applicable Law and Applicable Policy.

“Reconciliation Report” refers to the Reconciliation Report as referenced in s. 1 of Reg 200/21 under Connecting Care Act, 2019.

“Term” means the term of this Agreement.

3.0 Provision of Funding.

3.1 In each Funding Year, Ontario Health shall advise the HSP of the amount of its Estimated Provincial Subsidy. The amount of the Estimated Provincial Subsidy shall be calculated on both a monthly basis and an annual basis and will be allocated among the Envelopes and other funding streams applicable to the HSP, including the CFS.

3.2 The Estimated Provincial Subsidy shall be provided to the HSP on a monthly basis in accordance with the monthly calculation described in 3.1 and otherwise in accordance with this Agreement. Payments will be made to the HSP on or about the twenty-second (22nd) day of each month of the Term.

3.3 CFS will be provided as part of the Estimated Provincial Subsidy and in accordance with the terms of the Development Agreement and Applicable Policy. This obligation survives any expiry or termination of this Agreement.

4.0 Use of Funding.

4.1 Unless otherwise provided in this Schedule B, the HSP shall use all Funding allocated for a particular Envelope only for the use or uses set out in the Applicable Policy.

4.5 In the event that a financial reduction is determined by Ontario Health, the financial reduction will be applied against the portion of the Estimated Provincial Subsidy in the "Other Accommodation" Envelope.

5.0 Construction Funding Subsidies.

5.1 Subject to 5.2 and 5.3 the HSP is required to continue to fulfill all CFS Commitments, and the CFS Commitments are hereby incorporated into and deemed part of the Agreement.

5.2 The HSP is not required to continue to fulfill CFS Commitments that the MOH and MLTC has acknowledged in writing: (i) have been satisfactorily fulfilled; or (ii) are no longer required to be fulfilled; and the HSP is able to provide Ontario Health with a copy of such written acknowledgment.

5.3 Where this Agreement establishes or requires a service requirement that surpasses the service commitment set out in the CFS Commitments, the HSP is required to comply with the service requirements in this Agreement.

5.4 MOH and MLTC are responsible for monitoring the HSP's on-going compliance with the CFS Commitments. Notwithstanding the foregoing, the HSP agrees to certify its compliance with the CFS Commitments when requested to do so by Ontario Health.

6.0 Reconciliation.

6.1 The HSP shall complete the Reconciliation Reports and submit them to MOH and MLTC in accordance with Schedule C. The Reconciliation Reports shall be in such form and containing such information as required by Applicable Law and Applicable Policy or as otherwise required by Ontario Health pursuant this Agreement.

6.2 The Estimated Provincial Subsidy provided by Ontario Health under section 3.0 of this Schedule shall be reconciled by Ontario Health in accordance with Applicable Law and Applicable Policy to produce the Allowable Subsidy.
